VACANCY NOTICE

Position: Inclusive Green Finance Analyst

Department: Department of Financial Development and Consumer Affairs (DFDCA)

Reference No.: DFDCA – 701.3

The Reserve Bank of Vanuatu (RBV) invites applications from suitably qualified and experienced individuals for the above position within the Department of Financial Development and Consumer Affairs.

Position Purpose

The Financial Analyst (Inclusive Green Finance) is responsible for supporting the development of the financial system to achieve:

- Greater shared economic prosperity through financial inclusion
- Bridging the gap between environmental sustainability goals and access to financial services
- Economic efficiency through innovative payment solutions
- Empowered and responsible financial consumers
- Development of deep and dynamic financial markets
- Safeguarding financial system stability

Key Responsibilities

1. Conduct research and provide policy advice integrating Inclusive Green Finance (IGF) principles
2. Support design, implementation, and monitoring of financial inclusion projects focused on low-carbon and climate-resilient development
3. Develop financing avenues for MSMEs aligned with sustainable practices
4. Collaborate with Government Ministries, private sector, and development partners on funding proposals
5. Collect, monitor, and analyze financial system data and reports
6. Ensure structured reporting on financial inclusion initiatives
7. Identify and recommend best practices for financial system and inclusion development
8. Undertake financial development analysis and advise on the Bank's knowledge base
9. Support consumer education strategies and implement financial education programs
10. Formulate policies for financial service providers
11. Ensure institutional arrangements protect consumer interests and provide redress
12. Monitor financial institutions' compliance with laws, rules, and guidelines
13. Measure and monitor effectiveness of Inclusive & Green Finance initiatives
14. Assist in international engagements on financial inclusion research and policy
15. Perform other duties as assigned by the Manager and Head of Department

Performance Measures

- Implementation of progressive financial system development initiatives
- Accurate and timely reporting and analysis
- Ability to perform under pressure
- Teamwork and collaboration

Qualifications

Education/Certification:

Bachelor's degree in Economics, Environmental Economics, Development Studies, Financial Management, Banking, or other relevant commerce discipline

Required Knowledge:

Understanding of Central Banking, Climate Finance, and Financial Inclusion development

Experience:

Minimum four (4) years in Climate Finance, Project Management, Banking, Finance, Economics, or related commerce field

Skills/Abilities:

- Organizational awareness and team collaboration
- Strong research and analytical skills
- Excellent communication and interpersonal skills
- Proficiency with numbers and computer literacy
- Flexible, intellectual, and judgmental decision-making

Remuneration and Conditions

An attractive remuneration package will be offered, commensurate with qualifications and experience. Applicants must be fluent in both written and spoken English and have a good understanding of French.

Applications must be received no later than **date 24th April 2026** and should be addressed to:

**The Governor
